

WHAT ONLINE LEARNING LOOKS LIKE FOR ME

if your parents are essential workers they are allowed to go to work so then their children are allowed to go to school but its not like normal school becuse its mixed year leval not all from your year leval

1

we cant see our friends unless we call them!

2

our classers are online which mean every lesson we all are in a group call with the teacher and we have a c;ass chat group and if you go look oon the other page is what it looks like!

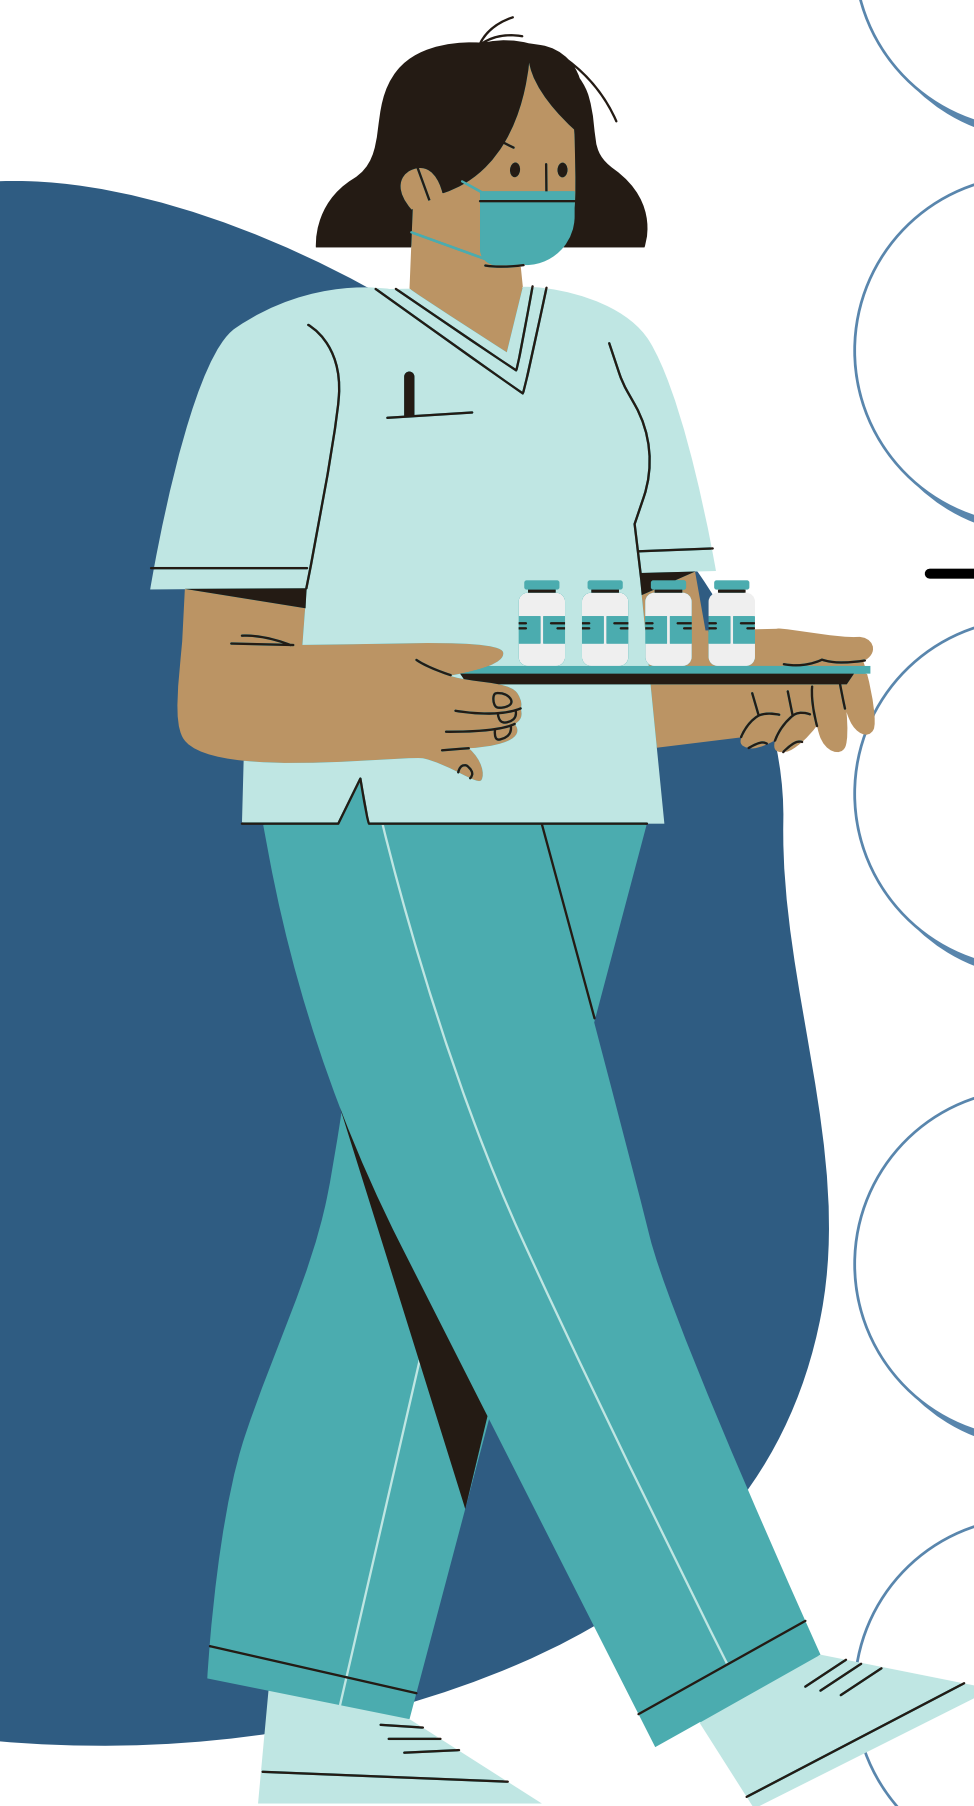

3

When you ask questions it might take a bit longer for thme to get ansverd as not every on is always online

4

It all because we need to stay safe!! staying safe is the one thing that is important right now because we can push through these hard times if we focus on the rules!!

5

STAY SAFE EVERYONE FROM GEORGIA
